Once a Miele, **Always a Miele.**

Dishwasher and Laundry Appliances Price List, Australia.

Effective 01.07.2026

**20
YEARS**

German engineered and
tested to the equivalent of
20 years' average usage.*

Terms and Conditions apply. Visit miele.com.au/quality

** During development phase of the displayed product series washing machine series W1, dryer series T1, washer-dryer series WT1 and product series dishwashers G 5000 and G 7000, Miele has tested the functionality of core components in durability tests to simulate 20 years' average use within an average household. Individual products are likely to require servicing from time to time and may require replacement of core components to maintain them in a serviceable condition. Plinth set for washing machines and tumble dryers

WTS 610 99501700

Laundry plinth with integrated drawer, twin set. Suits all Miele washing machines and tumble dryers except WQ 1200 WPS. The plinths can only be installed as a side-by-side configuration, with laundry models secured directly to the plinths. This model is not suitable for singular installation, stacked appliances, or single washer-dryer models. Miele plinths are suitable for Miele appliances only, due to safety regulations. Price includes installation for Metro only.

\$899

Reasons to choose a Plinth Set

- Ideal for people who require:
 - Easier access to their laundry appliances
 - Additional storage space for laundry items
- The plinth height allows you to load and unload your laundry without having to bend over.
- For secure installation the appliances are fixed onto the plinths.
- Plinths are safely secured to each other for added stability and not drilled into the floor.
